

HArDCore3D::DDRCore

```
graph BT; LADDRCore[HArDCore3D::LADDRCore] --> DDRCore[HArDCore3D::DDRCore]
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'HArDCore3D::LADDRCore'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'HArDCore3D::DDRCore'. This indicates that 'HArDCore3D::LADDRCore' inherits from or is a specialization of 'HArDCore3D::DDRCore'.
